Jackson Drive is regarded as one of the most sought-after addresses in Atherton, and those who dream cannot help but slow down as they drive by to admire the timelessly designed home at 11 Jackson Drive. Quality-built and meticulously maintained, you will never even spot a blade of grass out of place. This house stands proudly amongst the quality homes that surround it. Perfectly north-facing and boasting a 30m street frontage, the residence sprawls out to take advantage of the 180-degree views across the Tablelands, providing space and comfort with over 450m² of floor area. From the moment you arrive and approach the grand entry, you will fall in love and realize this is not your average home. No expense was spared, and built by one of the most highly regarded Builders on the Tablelands, the quality of workmanship and attention to detail is sure to impress. Features of this home include:- Spacious open-plan living with spotted gum timber floors, a 2-way fireplace, built-in cabinetry, and large stacker doors integrating both the front and rear patios.- Modern kitchen with quality appliances, stone benchtops, 2-pac soft-close cabinetry, large double door fridge space, and a walk-in pantry.- Spacious Master bedroom positioned at the front of the home with its own patio to enjoy a morning coffee while overlooking the views to Tinaroo. Large walk-in robe with custom-built cabinetry and a luxurious en-suite fully tiled to ceiling, & walk-through shower.- Two outdoor living spaces, one to enjoy the views from the front of the home and the second to entertain the guests at the rear. Conveniently integrated with the kitchen and has a built-in outdoor BBQ area, with a built-in wine fridge and range hood, 2-way fireplace, shutter doors, and flows out to the private and beautifully landscaped back yard.- Bedrooms 2 & 3 are both generous in size with great size wardrobes, while the 4th bedroom is currently used as the office with a built-in desk and great views.- Downstairs offers a second living space which could also be used for a home business providing direct access from the front courtyard.- The laundry is also located downstairs with a laundry chute from upstairs and access to the drying area outside. There is also a great-sized storeroom which is large enough to be another office.- The main bathroom is also tiled to the ceiling and has a bathtub with a separate shower.- Oversized 3 bay garage with polished concrete floors with extra width and length for the 4WD.- Fully lockable Workshop, 3-phase power.- Air-Conditioning throughout with a 15kW solar system to take care of the bills.- Fully fenced landscaped gardens with feature masonry fencing along the front for privacy. Porphyry cobblestone pathways, with established gardens and pop-up irrigation.- Even your pooch will be loving life with its own masonry block custom-designed dog kennel. The features of this home are endless with quality that you can't beat. Why live on acreage when you can have the feeling of space without the maintenance. It's time to live the life you deserve.
