Low to mid \$700's

This superb 4-bedroom 2-bathroom home with study oozes quality and luxury from start to finish. With formal lounge, family room, games room, and dining area, all your family occasions will be comfortable and you won't be treading on one another's toes. The beautiful kitchen comes equipped with a built-in oven and gas cooktop, rangehood, a dishwasher, double sink, built in pantry, breakfast bar and ample counter space for the chef in your home. There is also ample entertaining space under the rear alfresco, where great family times are certain to be had. This home won't require you to spend your weekends in the yard – they are so well setup and easy to maintain. Don't hesitate, the owners are moving and they are selling!!
