This amazing opportunity to move into the much-sought-after suburb of Blackburn is perfect for couples, downsizers, or young families. This single level on a reduced-size block offers all the privacy of a home with the low maintenance convenience of a unit. The home boasts an abundance of light, great living zones, and everything you could possibly need for a low-maintenance and comfortable lifestyle. 3 generously sized carpeted bedrooms (2 with built-in robes), a spacious and fully renovated bathroom (with access from both the hall and master bedroom), a kitchen with modern appliances adjoining a generous meals area, a large L shaped lounge room, and a stellar outdoor entertainment area for summertime BBQs. Year-round comfort is assured with gas-ducted heating and evaporative cooling, polished timber flooring in living spaces, stainless steel kitchen appliances with plenty of cupboard space, gas hot water, two separate private outdoor courtyard areas, and a single remote-controlled garage with off-street parking for a second car. Walking distance to Blackburn train station, bus routes on both Whitehorse and Surrey Road, as well as access to the Golden Mile for all your shopping needs. A short drive to the Eastern Freeway, Forest Hill Shopping Centre, Box Hill Centro, Blackburn Lake Sanctuary, and any number of great schools makes this location one that is not only highly desirable but, more so, one not to be missed.
