If you're searching for a property with character and the potential to make it your own, 11 Lennon St, Texas, offers an exciting opportunity. This house features three bedrooms, providing ample space for family living or the opportunity to create a home office or guest room. The living room includes a split system air conditioner as well as a gas heater for your year round comfort. The single bathroom offers convenience and can be transformed into a stylish and functional space with some renovation. The property benefits from steel stumps, ensuring structural stability and providing a solid foundation for your future improvements. The house has original VJ walls and timber flooring that is in great condition ready to be polished. Enjoy the spacious, fully fenced yard that's perfect for children to play or for gardening enthusiasts to create a beautiful outdoor oasis. If you're looking for your dream home, this property has plenty of space and could easily be transformed to your own style. Renovate as you go, and suddenly this unpolished gem could shine! Call us today and let us show you around!
