Built to the highest standards of quality & design this captivating 4-bedroom residence's exceptional fusion of formal & relaxed spaces curates a peerless modern family lifestyle of luxury, elegance & style. Behind the unique facade will reveal a light-filled family residence ready to impress. A haven of natural light, the expansive open plan living & dining room is served by a sublime stone kitchen appointed with Bosch appliances & a butler's pantry. A series of sliding doors connect the living area with the beautiful outdoor alfresco complete with BBQ & north-facing garden. The vast skylights upstairs provide an abundance of natural light which lead to the lavishly proportioned main bedroom with deluxe walk-in robe & stunning en suite, two additional robed bedrooms & a stylish bathroom. Other features include European oak floors, downstairs bedroom with additional bathroom, second living room upstairs, ducted heating & cooling & garage with internal access. All located within a short walk to Pier street shops and cafe precinct, Westona train station & Altona beach only 600m away.
