Under instructions from Public Trustee A wonderful opportunity presents in this 1970's home, set on a large land holding of approximately 1144 sqm of land with additional rear access from Drury Street. The home was built in 1977, and is in good original condition, and currently disposed as 4 bedrooms, (primary bedroom with floor to ceiling built in robes and ensuite bathroom), 3 additional bedrooms, main bathroom with separate bath, shower, vanity and wc. The living areas consist of a functional kitchen, meals area and living room. Set well back from the street, on a large allotment with an abundance of shedding and garaging at the rear of allotment, together with access from Drury Street. The home is well situated within walking distance to wonderful facilities. A wonderful renovation or building project awaits!
