Located in a quiet street across the road from a park and play ground, and with no rear or side neighbours is this uniquely designed 4 bedroom family home. A spacious floor plan with expansive dimensions is sure to impress. The home is light and bright throughout, creating a welcoming and inviting atmosphere that you are sure to love. Upon entry, you are greeted with the oversized living area that includes a crafted stand alone wall to accommodate and store all of your audio visual needs. This room is designed with both form and function in mind. The designer kitchen boasts an expansive array of storage options, quality fittings and fixtures, as well as an island bench with a breakfast bar. The kitchen has been meticulously planned with attention to every detail and positioned to overlook the dining room and its gorgeous bay window. The Master bedroom suite here is truly impressive. Featuring a full wall of stylish built-in robes and a contemporary ensuite bathroom that boasts a double vanity an oversized shower recess and glass encased toilet. Across the way 3 other bedrooms are grouped together alongside the main bathroom and internal laundry. The main bathroom incorporates a relaxing bathtub, double vanity and shower recess, with a toilet conveniently placed separately along side. Out the back the entertainers verandah overlooks the rolling green lawns and enclosed yard with side access. You'll also love the double carport as well as side access with concrete pad for the boat or trailer.
