Situated on a substantial block of 720 sqm this western red cedar home offers 2 bedrooms, 2 bathrooms and a study. Traditionally the home was a three bedroom, one bathroom house however a conversion was carried out, several years ago to change one bedroom to a second bathroom. A simple transformation would see the conversion reversed. The home offers built-in robes, heating and cooling and a large undercover entertainment area. Car accommodation is via a stand alone double car garage. Plenty of space here for your dogs if required. Come and take a look for yourself. Call Wayne on 0429 884 777
