\$249,000

Move to a part of Australia you don't need to take a holiday from! New to market is this 3.1-acre block in the Kimberley section of the Daintree Rainforest. Milky Pine Road is a beautiful, quiet gravel road located only 5 minutes north of the Daintree River Ferry Crossing. Outstanding rainforest graces the roadside and Lot 11 Milky Pine Road is a portal into your very own acreage block amidst this superb natural area. 107 metres of street frontage allow for options for access onto the block. Currently an easy access, loop walking track takes you through this divine place with towering rainforest trees and a sparkling rainforest creek! The creek is seasonal and cuts through the block, the loop track skirts the creek bank for a short distance allowing multiple access spots to be created through to the creek. Standing in the rainforest on this track is an immersive and healing experience. The sound of the trickling creek adds a harmonious and relaxing overlay. This property can have a home built on it and there are expired approvals attached to the info pack for further information.** Request the information pack by email mark.whitham@mossman.rh.com.au or Mobile: 0419 735 943.**
