This immaculately presented, master-built home offers stunning views, and is ideally situated close to Lennox Head, Boulders, and Sharpes beaches. The top floor houses 5 generous bedrooms with a tiled terrace overlooking the ocean. The master suite with a large ensuite and walk-in robe also enjoys those divine ocean views. Stargaze or watch the sun rise or set from the comfort of your bed, or head up to the private roof-top deck via the spiral staircase. The ground floor is the heart of the home. A beautiful designer kitchen is the perfect place to prepare, entertain and enjoy every meal, featuring high-end appliances; from Smeg, Ilve, Neff and V-zug. Indulge your culinary skills with 2 wall-mounted ovens, dishwashers, a steamer, an induction cooktop, stone benchtops, and a delightful butler's pantry. Open plan living is beautifully showcased as the dining area and lounge flow outside to a covered terrace running alongside a clear blue in-ground magnesium pool. With a separate media room, you can host the kids, teens, or adults or find a peaceful space to relax alone. An additional kitchen and bathroom in the pool area make outdoor entertaining seamless. This big, elevated block of 884sqm also includes a designer-styled mud room & sizable laundry, a large double garage, and concealed driveway with plenty of room for a boat or camper to park on-site. A 10KW solar system helps power the house.
