Located in the Kingston Estate this lovely home has it all for you. The open plan layout features two living areas linked to an open plan dining and kitchen space. The kitchen is a chefs dream with lots of storage and bench space including a walk-in pantry, a five-burner gas cooktop and 900ml oven, the double sink is well located to the side giving you extra bench space. The carpeted lounge area and a spacious second living area along with the dining room join onto an amazing covered alfresco zone with ceiling fan, outdoor blinds, and timber decking, perfect for entertaining all year round. A neat, low maintenance garden with no lawns gives you your weekends back to relax and enjoy, and a concreted undercover area with access from the drive is a bonus for the boat or caravan. This is in addition to a double lock-up garage with internal access. The property has three bedrooms including a master bedroom at the front of the home with a walk-in robe and ensuite. The two additional bedrooms with built-in robes are in their own area, serviced by a family bathroom with bath, glass-framed shower, and separate toilet.
