Welcome to a residence where every detail has been crafted to create an extraordinary living experience. A haven for families seeking space and versatile living. Four bedrooms, master with ensuite and WIR. The heart of the home is a harmonious blend of open plan living, kitchen, and dining room, with both wood heater and reverse cycle air-conditioning. Keeping the home toasty warm in winter and cool in the summer months. Separate rumpus room and office space, laundry with ample storage. Step outside, and undercover outdoor area beckons, adjacent to the kitchen and dining room - a perfect setting for alfresco dining or casual get-togethers. Ample off-street parking caters to your caravan, trailer and extra vehicles. Further enhancing the appeal is a separate shed, offering additional storage options/workshop. It doesn't stop there either, you'll also find a separate studio, ideal if you work from home or like to have friends and family stay. For family fun, a charming treehouse awaits the kids, providing a magical escape in their own backyard.
