\$770,000 - \$820,000

Nestled in the heart of Epsom, 11 O'Neill Court presents a modern living haven, boasting 4 bedrooms, 2 bathrooms, and a 2 car garage. The master bedroom has walk in wardrobe and it's ensuite. The other bedrooms come with built in wardrobe. Ducted central heating and cooling, ceiling fans are also in each bedroom and the alfresco. The home, constructed in 2010, has undergone recent renovations, including fresh interior paint and newly installed vinyl flooring that injects a contemporary appeal into the living spaces. Inside, the home is designed for comfort and functionality. Two distinct living areas-the lounge and living room-ensure ample space for relaxation and entertainment. This property offers practicality and security with its generous garage, complemented by a substantial shed, all accessed through a wide driveway secured by a lockable gate. The driveway allows you to park your caravan or boat inside the yard. The thoughtfully landscaped exterior, complete with a water sprinkler system, creates a tranquil oasis. A pergola and patio provide delightful spaces for outdoor relaxation, while an extra study area within the property caters to varied lifestyle needs. The property's proximity to local playspaces, a primary school, public transport, train station, and Epsom's shopping centre and amenities adds convenience to its charm, making it an ideal abode for modern living. Make this property your own! Contact our team for more information.
