This magnificent family residence is a spectacular symphony of space and style, setting the benchmark for extraordinary living with its generous proportions and a captivating Japanese-inspired outdoor oasis. The interior opens up to reveal a formal lounge and dining room exuding understated elegance, before continuing through to the family room with a gas fireplace and adjoining meals area with an atrium-style design, inviting natural light inside. The epicurean kitchen is so stunning - it once graced the pages of 'Kitchens & Bathrooms Quarterly Magazine'. This culinary haven features 60cm stone benchtops, a waterfall-edge island, a built-in coffee station, touch-activated cabinetry, and a suite of high-end appliances to channel your inner gourmet. A study, powder room and a laundry complete the lower level. Sleeping accommodation includes a massive main bedroom with an ensuite and walk-in robe. Three more bedrooms with built-in robes, a family bathroom and an open retreat ensure personal space for all. Outside reaches the new heights of wow factor with a covered deck promising year-round alfresco bliss, equipped with a ceiling fan, heaters and bistro blinds, ensuring all-season entertaining, along with barbeque facilities on the side. And then, the pièce-de-résistance: a solar-heated, north-facing pool, set against the tranquil backdrop of a Zen pond beneath a quaint bridge. This leads to an exquisitely designed Japanese-inspired garden display, which includes a water fountain and steps ascending to authentic-looking Japanese structures. This miniature landscape culminates in an enchanting Japanese tea house, bringing a touch of the East to your backyard. Complete with ducted heating, evaporative cooling, central vacuum system and a double garage, this showstopping home is located moments from Loughies Bushland Reserve and the Ringwood North shops. It is only a short drive to Eastland, Eastern Freeway/Eastlink and array of primary and secondary schools.
