Peaceful family living by name and by nature

Aptly named Peaceful Close, this serene pocket of Curra offers all the privacy and tranquillity you could ever imagine. You will live on a 6000sqm lot towards the end of a quiet cul-de-sac promising the life of absolute comfort and leisure so many people dream of.

This modern home was completed in 2021 and boasts a spacious, single-storey layout with three bedrooms and two bathrooms.

The heart of the home is sure to be the open-plan kitchen, dining and lounge room with split system air-conditioning and double sliding doors to the covered patio. Love to cook? You can get creative in the modern kitchen before moving outside to dine alfresco and enjoy views over your well-maintained, fully-fenced lot.

The master suite is complete with a walk-in robe and a luxe ensuite plus there's a central main bathroom and built-in robes to both the guest bedrooms.

LED lighting, ceiling fans and a double garage, with internal access, are just a few of the extra features on offer. Outside, there are three 5,000gal rainwater tanks and a Taylex treatment plant along with a powered 9x9m shed plus room for a pool (STCA) and 5.9kw of solar to assist with the cost of power to top it all off.
