Immediately appealing this beautifully presented modern family home sits in a quiet pocket of Lindisfarne and is well positioned to ensure peace and privacy with room for the growing family on Hobart's popular Eastern Shore. Filled with an abundance of natural light, the spacious design features a calm grey colour scheme complimented by plush carpets, stylish tiles, sleek cabinetry, and large windows with views across the Meehan Ranges. The family friendly floorplan accommodates easy everyday living and features an open living/dining/kitchen with quality stainless steel appliances, three good-size bedrooms (2 with built in robes) and a luxe bathroom with a separate shower and opulent spa bath. Additionally, there are two utility rooms and a second bathroom downstairs which would make an ideal teenage retreat. The enormous 1,241m² (approx.) allotment provides a wonderful outdoor area for children and pets to play safely, with a large deck providing a great space for relaxed family barbecues. Mature screening trees line the fence to provide privacy and an outdoor building offers a wonderful artist's escape. There is plenty of space for multiple cars to park on the very gently sloping concrete driveway. Convenience abounds with immediate access (10 minutes by car) to the city centre and a host of quality local schools, sporting facilities and all services within easy reach. An inspection is certain to leave a lasting impression.
