\$570,000

Step into this double-story Frenchville brick home, and you'll discover an exceptional living experience that caters perfectly to large or growing families. Spanning two captivating levels, connected by an elegant timber staircase, this residence offers an array of features:

Four Bedrooms: Accompanied by three well-appointed bathrooms, providing ample space for everyone.

Dual Living Areas: Enjoy the versatility of two internal living spaces, one of which features a striking fireplace, creating an inviting ambiance.

Charming Interiors: Character-rich internal brick walls and leadlight windows infuse the home with a welcoming and cozy atmosphere.

The Kitchen: The expansive timber kitchen is thoughtfully positioned adjacent to the dining room and offers a commanding view of the glistening inground pool and a fully screened outdoor room, setting the stage for stylish year-round entertaining.

This home is the epitome of perfection, offering an unparalleled living experience that truly has it all. Prepare to be captivated by the possibilities this outstanding property presents!
