Low maintenance, spacious brick home located in a peaceful location yet walking distance to a major shopping center is high on many buyer's priority list. Situated close to the quiet dead end of Ross Street, My Pleasant is the low-set sturdy brick home which is a fantastic opportunity for those requiring an easy care home with plenty of space for your family to enjoy. The home boasts a large covered entertainment area at the rear of the property which has slate floor and is the perfect spot to enjoy casual outdoor dining in our tropical environment. The home has three good sized bedrooms, all of which are air conditioned and have built in robes, the main also has an ensuite. The main bedroom offers a separate bath and shower with private toilet nearby. The function kitchen adjoins the dining area which leads onto the large tiled sunken air conditioned lounge which is at the heart of the home and ideally situated for busy family life. The entry area is large and provides a built in office area suitable for a home office or school homework area. The laundry offers ample storage space and bench space and leads out to the yard. The one bay shed provides another storage space and is easily accessed for your tinny, camper etc. The home additionally has double lock up remote controlled garage providing easy access into the home for those rainy cold days. The block is a generous 800m² and is easy care and fenced. Location is second to none, located in the highly desirable suburb of Mount Pleasant, known for its peaceful and family friendly atmosphere where you are a short stroll to Mount Pleasant Shopping Centre, local parks, schools and shops. Or take advantage of the nearby public transport options for a quick commute to the city centre. You should not delay and book an inspection to view this property. It will not last long!
