This cute, three-bedroom home in an established family residential area only a minute's drive from central Woodend may be just the opportunity you've been waiting for. A large back yard, cleverly-lined shed, roofed rear entertainment area surrounded by a manicured garden featuring camellias, crab apples, bottlebrush, and a big old ash tree add to the obvious appeal. The kids could walk to Woodend Primary School (650m) and Five Mile Creek Reserve is just moments away. Land size 792m². "I think it may be time to make an appointment to inspect this one".
