It's not often you find a beautiful home with an equally stunning pool & outdoor entertaining area in one package, but this home will be the delight of many. The spacious layout offers three living zones plus an office for the largest of families, while cosy corners equally allow you to relax & unwind. Featuring a well planned layout, the amazing kitchen is an entertainer's dream and services all areas with ease. Accommodation will also impress with the master complete with a stunning ensuite while 3 further guest bedrooms take up a separate wing. Outside is equally sublime with a spacious outdoor entertaining area overlooking the glorious solar & gas heated pool & spa and lush gardens. Features include excellent size block, solar power, solar hot water & double garage. Several options present enabling you to use the dedicated office space & work from home, create that perfect holiday haven for family & friends to gather or simply enjoy as your own private sanctuary.
