Positioned perfectly in a quiet cul de sac in Atlantis Beach, this property offers comfort, simplicity, and style. The inviting exterior and ample driveway parking set the stage for a home that emphasises practicality. Standing in the garden all you can hear are the gentle sounds of waves, so good for the soul! Inside, you'll find a well-maintained space with attention to detail. Quality fixtures, tasteful décor, and a neutral colour scheme create a warm, inviting atmosphere. Large sliding doors flood the living zones with natural light, enhancing the open layout. The kitchen, with its gas hob and stainless steel oven, is designed for both convenience and aesthetics. Step outside to the northwest-facing outdoor area, simply idyllic for gatherings and family activities. The crowning glory is the massive 4 car garage with power and lights and room for all your toys
