- Freshly painted inside and out with open plan living flowing through to the new polished concrete rear patio with high ceilings and TV point for game nights
- Updated timber kitchen with 5 burner stove and walk-in pantry
- Centrally located only 11mins to Cairns City centre and 14 mins to the beach
- Close to bike paths, walking tracks, public transport, childcare facilities and a large shopping centre

With a cottage feel from the front and stylish entertaining out the back, you'll find your friends coming over and hanging out with you a little more often than they did before.
