Getting under each other's feet as a family and longing to improve your quality of life? We are pleased to present this immaculate, low-upkeep corner property nestled in a quiet, popular area handy to the local primary school and shopping centre, and an easy drive from a host of other amenities and wonderful fishing, boating, swimming, hiking and four-wheel-drive spots. The indoor and outdoor living options that come with this property are destined to impress. Gather at family meal times in the light and spacious open living, dining & fashionable kitchen hub, or enjoy a barbeque and parties under the huge semi-enclosed, sunny aspect gable alfresco. Watch your favourite movies in the separate cavity slider media room or hang with the family or enjoy some quiet, relaxed time entertaining friends in the French door family living room. If you have youngsters, they are in for a treat, as most of the quality play equipment in the yard is staying, so keeping them amused will be a breeze. The private parent's domain in the home's left wing reveals a king-sized bedroom, with a walk-in robe and twin showerhead ensuite. Hallways reveal an abundance of general storage, and a spacious main bathroom, with a separate toilet, and three family bedrooms with robes. The right wing flows to a delightful fifth bedroom or study and a modern laundry, with more good storage and deck access. There is also a spacious powered workshop to potter in, two lean-to storage areas and a wide double garage and side street backyard access. Keen interest is expected. Act now. For more detailed information or to arrange a private viewing please contact Paul Armstrong on 0459 381 382.
