The quiet street is appealing enough, but when you add to it this delightful design of home, you get a winning combination. Spacious living areas are accentuated by high ceilings and earthy colours. All the bedrooms are spacious, especially the master, along with a sizable walk in robe, double vanity and separate toilet. When you head out onto the gabled patio, there is again a feeling of space. Enough yard without too much. There is a lovely homely feel about this property, that can be appreciated by coming though. Private viewings are the best, so call today. With the building costs and time blowouts on building, this makes total sense. For viewing contact agent: David Sorgiovanni 0407 388048
