Discover this genuine architectural oasis set amidst the natural beauty of Fairhaven. This remarkable property spans across an expansive 2426 sqm (approx. over half an acre), offering a direct connection between the native bush and the ocean. Embraced by the stunning Great Otway National Park on one side and bordered by a 9-acre native common ground on the other, this haven seamlessly blends tranquillity with all the comforts of a modern residence. The beautiful ocean view towards Lorne is a daily reminder of the coastal splendour that you are part of. Architecturally intriguing, the residence showcases a unique design featuring two distinct sections. The front split level section boasts a main living and kitchen/dining area that is a vibrant and fun social area for all the family. Ascend to the upper level, and you'll discover a spacious master bedroom (with ensuite) and a conveniently situated home office, providing an inspiring retreat. The rear section of the residence offers three bedrooms, a well-appointed bathroom, laundry and an expansive rear living area. Designed with family harmony in mind, this layout offers ample space for everyone to enjoy their own privacy while fostering a sense of togetherness. The outdoor spaces are very special with extensive sun decking that interacts seamlessly with the native allotment that is adorned with a remarkable collection of grass trees. There is even an outdoor bath with hot and cold water allowing you to take full advantage of this magnificent setting. Meticulously maintained, the property exemplifies the utmost care and attention to detail. Enjoy the serenity and seclusion that this property offers, providing a sanctuary away from the hustle and bustle of everyday life.
