This beautifully maintained home has been recently refurbished with modern coastal appeal and represents a brilliant opportunity for those looking for a holiday home, to downsize or invest with a solid return. Featuring two generous bedrooms, living room and a great kitchen with north facing dining room, you will love the natural light filled space and looking out over the lush green yard. Set on approx 682m² there is plenty of scope to redesign the gardens, build a bigger shed, or maybe build a granny flat STCA. The home further enjoys quality privacy and blackout blinds throughout and split systems for comfortable year round temperature control. Positioned in close proximity to the recently upgraded Point Richards boat ramp, this really is a fantastic opportunity to secure a lovely home with nothing more to do but move in and enjoy!Disclaimer: "Information contained on any marketing material, website or other portal should not be relied upon.
