A beautiful welcoming family home in the heart of popular Newstead. Enjoying all day sun the many features will be sure to impress. From the moment you step foot in the front door the feeling that the home has been loved & cared for will greet you. A flowing floorplan offers the 4 good sized bedrooms & 2 bathrooms to one side of the home while the living, kitchen & dining to the other. The entertaining space that you'll picture yourself sitting in for years to come has many access points from the home but is the centrepiece that invites you through. The rear yard is of excellent size & has unexpected privacy. Offering the space, security & position many of us desire, inspection is sure to impress. - Solar power & hot water- Aluminium windows- Updated kitchen- Private rear yard- Good off street parking
