\$950,000 to \$1,050,000

Graced with high end fittings and finishes over a thoughtful double level design, and ready to be embraced by young professionals searching for that ultimate inner city pad, this sublime and bright 2 bedroom, 2.5 bathroom townhouse is filled with enticing delights. Enjoy the fantastic natural light and free-flowing layout that accompanies the ground level lounge and meals zone, which has sliding doors which open out to a sizeable entertainer's pergola deck which is definitely ready for alfresco dining and weekend drinks with friends. Step back inside and take advantage of the sleek and functional stone kitchen which boasts an island bench and premium stainless steel appliances. Upstairs is where you get to enjoy both bedrooms which each have access to ensuites, with the master bedroom particularly appealing with a walk-in robe and a sumptuous ensuite which consists of a double vanity and wet area with rain shower and freestanding bath. Further features include a downstairs powder room, laundry, reverse cycle heating and cooling, double roller blinds, single remote garage, and much more. This property will also be a great match for small families! You are so close to scenic parklands and trail surrounding the Yarra River including Alphington Park, Darebin Parklands, bustling Fairfield Shopping Village on Station Street, Fairfield Primary School, Thornbury High School, golf courses, buses, Fairfield Station, and Eastern Freeway.
