Situated on an 822sqm block zoned R15/25 with an immaculate freshly renovated home, these are the ones which sell fast. Being able to enjoy this level of quality at this price is outstanding in Clifton Hills, and this one is going to be popular! The layout of the house is functional and there is nothing left to do inside, meaning you can move straight in and enjoy all the hard work and big expenses already taken care of. Virtually every surface inside has been tastefully updated and maintained including floors, painting, lighting, bathrooms and the kitchen... and it looks absolutely beautiful! In addition to the large living area, there is another room which makes for a terrific second living area or a huge 5th bedroom - ideal for the family who needs space. The backyard is what an Aussie backyard should be! Room for a game of cricket, a patio for the BBQ and the potential to subdivide if you desire. Don't wait for a home open on this one, quality homes in Clifton Hills are in demand. Make your move now and secure this property before someone else sees it and falls in love!
