Ideally located Less than 90 minutes to Cairns Airport on the outskirts of Atherton - the central hub of the Tablelands there is an opportunity to create your vision. The sprawling five acre block slopes gently toward the road, lined with trees for around the perimeter for complete privacy. The driveway winds its way toward the house past the established grounds and up to the double garage. Downstairs is a comfortable living area with open plan kitchen and dining. The kitchen offers ample bench space and storage. Lower level is complete with bedroom, bathroom and laundry so can be kept a completely separate area from the main house. The upper level was originally Atherton's first Hotel and moved to Windhaus Road by truck where it was set on new blockwork. Now a spacious home offering three bedrooms a large living area, kitchen and bar as well as master bedroom with walk in wardrobe and newly renovated ensuite. The sunroom spans the width of the front of the home looking out over the property. This historic building is looking for its new owner to bring it back to life and take this property to the next level. Opportunities like this don't come along very often so call exclusively listed agent Alex Payne today on 0409 328 153.
