One of Arbour Park's best value offerings that also includes a North facing aspect! This two-bedroom, two bathrooms offering has an efficient layout with both bedroom's separated and a full sized kitchen with island bench. Move into this fantastic property at the end of this year (November.) Premium Fittings and Finishes From premium Miele appliances and integrated fridge, to polished metals, natural stone and timber, residences offer a seamless integration of functionality, technology, and high-end design. Further features include; Custom Lighting Inspired by the Eucalyptus pod, living rooms and kitchens feature bespoke lighting by Melbourne-based glass and lighting designer Mark Douglass. Bespoke Joinery Fastidiously designed by Elenberg Fraser, custom joinery pieces throughout provide an unrivalled level of craftsmanship. Lush Landscapes Celebrating the abundance of flora for which Surrey Hills is revered, landscapes by Openwork offer all Arbour Park residents a connection to nature via carefully considered landscaping to terraces. Contact us now to book your private appointment at our display suite.
