This property features a balance between period features and modern living. In one of the best locations, we are positioned right across from the Benalla showgrounds, Benalla Lake and only a short distance to restaurants and Benalla`s CBD. Inside, the home shows four bedrooms, two of three fit with their own split system heating/cooling, one being the master with walk-in robe and ensuite. The ensuite is spacious, with a double-headed shower and double vanity, stunning high ceilings, period carpeting, modern appliances, and design throughout the home. A large bathroom at the rear of the dwelling features a shower, single vanity, bath, storage and separate toilet. Prominent open plan living/dining area includes a large dining area that opens onto the decking area, to create the perfect indoor/outdoor living feel. Along with this space, the kitchen is the heart of this home, with dining island bench, modern appliances including an oven and gas cooktop, dishwasher and ample bench/storage space throughout. Moving to the home`s exterior, we have an undercover outdoor entertainment area in the rear yard, 4.2 x 6.0 shedding with drive-through access, and a simple yet effective established lawn and garden.
