The original home on Richmond Road, Built in 1952, this cottage is high set on the block showcasing mountain views from the verandah. Character built with custom made western red cedar windows. Ready to put your own stamp on, the high ceilings would allow a loft/attic style rooms to be built. Outside has craftsman dry stone walls with lovely gardens and has a prolific fruit producing mango tree. Enjoy beautiful sunsets on the wide shaded verandah. This home is situated close to all amenities, transport and schools.
