Walk in, through the large entrance, that leads to three separate and large living areas to the right, and bedrooms and wet areas to the left. Your kitchen is a large open plan design, with a modern wall oven, dishwasher and gas cook top. Family room French doors can burst open to the timber decking overlooking your back garden. Light filled, warm and spacious with solid original polished timber floorboards throughout, no carpet to worry about here. Freshly painted and new blinds throughout. Large shed that you can drive in and that should fit 4 cars as shown in the floor plan, and there is a small workshop as well to utilise.
