Located within moments from the Kingaroy CBD, this home is packed with potential. With downtown living becoming more popular and the property's location being so convenient, zoned medium density residential, this property is packed with potential. On entering this tidy home, you are greeted by a formal entry/sunroom opening to a generous traditional style living area. The kitchen includes everything that you could need with loads of cabinetry and easily opens to the dining room. Three generous bedrooms plus 1 sleepouts, all share access to the main family bathroom which includes a shower over bath and vanity. Outside is an alfresco paved area the perfect space to relax while still overseeing the kids playing. A 1,012 sqm block, the backyard is fenced, covered car accommodation and lockable storage and rainwater tank.
