An immaculate single level home which has been lovingly enjoyed by only one owner. It is an extremely easy living home which is low maintenance, and while in original condition, it has great bones for updating. This home would be perfect as a first family home with a terrific enclosed backyard, open plan living spaces, three good sized bedrooms (all with built ins) and a spacious double garage. The location is fabulous, you are surrounded by options for leisure activities. Straight down Leo Drive, there is Narrawallee Inlet & Beach, which are perfect for kayaking, fishing, paddle boarding, swimming and surfing. And closer still is Garrads Reserve, which is outstanding for bushwalking & mountain biking. My vendors love:- Open plan living - perfect for entertaining- Private and leafy backyard with loads of birdlife- Double garage with drive through access to back yard- Location - close to Narrawallee Inlet and Beach. My vendors are motivated and sincere in their desire to sell, so give me a call, organise an inspection and see if 110 Leo is your new home.. Lee Manning 0400 888 820
