This three bedroom weatherboard home is ideally located a flat short walk to town and within metres of the medical & sporting precincts. And the rail trail just 100 metres from your front door. Hidden behind a front fence is a peaceful oasis overlooking farm land to the rear, with two large sheds one fitted out as a studio with RCAC. A new front deck makes an ideal location to enjoy the morning sun. 2 lounge areas with double glazed windows, a solid wood heater and RCAC making it super cosy in winter. Original kitchen with ample bench space and cupboards. 3 large bedrooms, 2 with BIR's all with carpet and sash windows. Central bathroom with shower over bath and a vanity. Large internal laundry with external yard access. Double remote garage with rear roller door access to the back yard and off street driveway parking for 2 cars. A neat package with character and charm and a feeling of space, yet in the middle of town. Will not last long. Contact our office for a private inspection.
