Phone Enquiry ID: 224489 This property has cleverly maximised the use of its land within the fence line. Throw away the lawn mower and make the most of your free time enjoying all that is on offer here. Covered verandas around invite warm summer evenings on the deck watching the sleepy world go by. A stunning brand new kitchen with oodles of self-closing pot drawers, induction cooktop, central island bench and all the mod cons will have you cooking up a storm for guests and family alike. A rear, elevated and covered deck is where you'll spread out to entertain & relax in private, overlooking the pretty, productive, low maintenance garden surrounds. More surprises outdoors will have you discovering raised garden beds, an enclosed, outdoor "camp kitchen" with adjacent covered gazebo for al fresco dining, a brilliant workshop/garage, water tanks, meandering paths and all the privacy you want. Back inside, open plan informal living area, big multipurpose lounge (currently the "pool room" with bar), four bedrooms, largeish laundry and two very-recently renovated bathrooms will leave you with nothing to do but relax! Other features and inclusions include: split system aircon plus gas wall furnace; as-new roller blinds; quality external sun blinds; wide access shower to main bathroom; downlights; TV points to bedrooms; new carpets and more. There is great space where you need it and the rest is cosy and inviting. TO ENQUIRE, CALL VENDOR ADVISOR KAZ HUGHES 0417 516 998.
