Immaculately renovated to a level that is first class, showcasing stunning light from the north and east, and with wonderful views of the city and Yarra River that will never be built out, this memorable 2 bedroom, 2 bathroom corner apartment is unforgettable. The thought and detail that has gone into the upgrades of this home will definitely be noticed by astute property hunters. Striking hardwood floors and phenomenal light are two features which are a constant throughout this magnificent residence, which has a superb central living and dining that is enhanced by full windows and access out to the wraparound balcony. This north-east balcony has summer dining and drinks written all over it, while tree top views to the east and city and river views to the west will never get boring. Back inside, the upgraded kitchen is sublime thanks to chic stone, soft-close drawers, designer cabinetry, and premium appliances including Bosch induction cooking. The master bedroom delivers mirrored built-in robe storage and a revitalised ensuite, while the 2nd bedroom is enormous and boasts its own balcony. Further enjoy an ultra-stylish bathroom, full laundry, ducted heating and cooling, Lucci remote ceiling fans, remote roller blinds throughout, secure intercom, storage cage, and 2 side-by-side secure car spaces. Residents will also have access to a gym, pool, sauna, and 'The Green' garden area. Moments to 670 Chapel Shopping Centre which offers a Woolworths supermarket, Big W, and specialty shops.
