Up-sized and lit-up by north sun on the edge of the Centre Road lifestyle strip, this rare three bedroom, two bathroom first-floor apartment adds up to a unique McKinnon College Zone lifestyle or investment opportunity. Impressively accommodating with a private master-suite extending from luxe ensuite to a large lightwell study nook, this family-size apartment has secondary bedrooms positioned around a similarly luxurious principal bathroom, and light-filled living flowing northwards to a sun-drenched balcony. Showcasing signature quality and design with the marble benchtops of the streamlined Ilve appliance kitchen echoed in the marble basins of the fully-tiled bathrooms, this prestige apartment features wideboard oak floors alongside plush carpets, block-out blinds plus airy sheer curtaining and good storage including custom-fitted robes. Offering value-added extras where they count the most, there's reverse-cycle air-conditioning, video intercom-entry and two basement garage spaces plus two storage areas – one an enclosed locker the other a walk-in space. Even the location is big on benefits with a rare combination of family living and commuter life. Zoned for high-achieving McKinnon Secondary College, this up-scale apartment has easy proximity (just 250m) to Centre Road shopping, Bentleigh station within one block, and Allnutt Park and McKinnon Reserve within a stroll.
