Featuring an ideal sunny northeast to rear aspect & a completely private front deck in the treetops, this single level brick & tile home is ready to welcome new occupants. Totally shielded from the outside world, this comfortable dwelling offers the ideal escape from the commotion of everyday life. Step inside & discover new engineered timber flooring, spacious carpeted bedrooms with robes, an elegant cook's kitchen with quality appliances, & a sunny paved rear yard perfect for outdoor recreation. Ideally positioned between the vast Mount Brown Reserve & Brooks Creek fields, there are ample opportunities to explore nature, tire out the kids, or walk the dog, & when civilisation beckons, Dapto shopping, dining, & services are just 6 minutes from home. - Terraced front garden including established trees effectively screens the home from the street. - Generous sunny front deck enjoys complete privacy & tree canopy outlook. - Lounge with new engineered timber flooring adjoins kitchen/dining space. - Well-appointed kitchen includes handsome timber cabinetry, SMEG dishwasher, gas cooktop, Chef oven, double sink, & breakfast bar. - Bedrooms 1 & 2 feature large picture windows with garden outlook, carpet, & built-in wardrobes. Bed 3 would suit study or child's bedroom. - Neat original family bathroom includes tub, separate shower, & separate toilet. - Separate laundry with tub enjoys direct access to rear patio. - Air conditioning plus gas points for additional heating in lounge & dining area. - Northeast facing private paved patio at rear includes garden shed & is fully fenced. - Lock up garage with high ceilings & drive through access to rear yard.
