For Sale

Exceptionally merging a contemporary designer aesthetic, ideal location and modern living requirements, this brand new townhouse opportunity is the perfect balance of everything you desire. Nearing the end of construction, there is a selection of just three freehold townhouses, perfectly nestled within walking distance to major Chermside amenities and all offering large double storey layouts! A premium market offering in a brilliant location, each design opens to large living and dining zones, intelligently designed to maximise connection and flow to landscaped alfresco courtyards. Impressive design continues into spacious modern kitchens, each appointed with superb storage and high quality fixtures. Upstairs, there are three spacious bedrooms each including built-in storage as well as second living rooms perfect for family flexibility; each living room connecting to an upper balcony as well as offering scope for a fourth bedroom if required. The master bedroom has a walk-in robe and private ensuite with dual vanity whilst the family bathrooms are also on this level and include a bath in a stylish, modern design. Additional features include a powder room with third toilet, separate laundry with built-in cabinetry, large store room, study, and double remote garage. Perfect for an investor, owner occupier or down sizer, this prime Chermside position offers an easy lock and leave lifestyle. An incredible array of amenities are quite literally at your door including Kedron Wavell RSL, Chermside aquatic centre, Chermside library and Westfield's huge amount of shopping and extensive dining! Major hospital precincts are also close by with numerous bicycle tracks and a major bus terminal handling commuting with ease.
