Owners Open to Offers

You will have infinite possibilities living on approx. 10* acres. Own your own organic fruit and veggie market garden or business. A crop of turmeric is ready to harvest now and there is approx. half an acre cultivated with irrigation from the dam. A kitchen garden is also in place. Levelled space near the dam offers an opportunity to expand with greenhouses. The infrastructure includes a fully enclosed garage and an open packing/storage shed. With all this there is still plenty of space and fencing in place to keep livestock. There is a comfortable 3 bedroom steel framed home with verandas on both front and back. Sliding glass doors open from all 3 bedrooms and living area. A beautiful rock pool/spring at the back of the property offers a calming spot to kick back and relax with family and friends.
