One of the biggest and best, this two bedroom, two bathroom apartment is sized out, optioned up... and perfectly positioned in one of the rail precinct's best groups. One of the largest apartments in this tightly-held smaller-scale development, this upscale residence is a rare find with an impressive sense of entry via an extra-wide lobby, space to entertain in a light-filled open-plan with room or a full dining-setting, and a spot to soak up sun on a broad balcony. Featuring an entertainers' Bosch appliance kitchen fronted by a wide dining-bench, a large fully-tiled bathroom and private ensuite, there's a premium finish with Calacatta-style stone benchtops, wideboard Oak floors, and individual reverse-cycle air-conditioning to every room. Then there are the customised extras including a stone-topped credenza for the lobby, sleek glass shelves for the showers, and quality dual e-screen and block-out blinds for each window. Taking a practical approach with a large European laundry (separate to the bathrooms), full-height robes for each naturally-lit bathroom, and good mirror-storage for the bathroom, this first-floor apartment is secured by video-intercom entry and lift-access basement garaging with walk-in storage. Quietly cul-de-sac positioned at the gateway to the Highett Rd hub, this upscale apartment will scale up your lifestyle with the cafes and shopping at the end of the street, the station around the corner for quick 30 minute commute, and a beachside Bayside lifestyle in reach!
