\$609,000

Experience the ease and top-class style of this smart & sophisticated lifestyle abode. Perfectly positioned right on the fringe of Glen Huntly's bustling hub, the spacious setting provides a peaceful and stylish escape from the daily grind. Situated in the boutique Equus development that offers low rise living beyond a secure video intercom entrance, the home opens to reveal chic wide-board oak flooring flowing through the open plan living and dining zone. Connecting with a quality kitchen boasting concrete-style stone benchtops and premium Bosch appliances, it then spills out through oversized sliders to a generous sheltered balcony. Mirrored built-in wardrobing stars in both of the tranquil carpeted bedrooms, they share the luxe bathroom boasting a drenching rain shower and floor-to-ceiling tiles, while a Euro laundry and large linen closet are also offered. Wrapped up by split system heating/cooling, an assigned basement parking space and storage cage, this luxury first home or sleek investment is less than 300m to the station, cafes & shops and metres to trams & buses. Ideal for students it is walkable to Monash University Caulfield, while city commuters can also choose nearby Dandenong Road. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
