Comes with a picturesque park on your doorstep, and every convenience within easy walking distance. The fresh, coastal styling is complimented by the amazing location close to the beach, while the north-facing orientation provides and abundance of natural light. The renovated kitchen has been thoughtfully crafted with wooden bench tops, and plenty of cupboard space, so rare to find in small apartments. The kitchen has been divided on both sides of the apartment optimising the space available. Sliding doors provide access to a small private balcony, the perfect place to sit and enjoy the leafy outlook after a long day, and there is plenty of room to relax in the spacious living area. The large bedroom is perfectly laid out to easily fit a queen-size bed, while still allowing plenty of space for a dresser or small desk, movable wardrobe for easy convenience and a well-designed bathroom with a large shower in fresh neutral tones completes the picture. There is one allocated designated under cover car bay that comes with this top floor apartment.
