Not Very Often do we see a block of units come on the market in Katanning sort after rental market. All six units consist of open plan living with a well-appointed kitchen with plenty of bench space and a breakfast bar. Next to the kitchen is a separate pantry or store cupboard. The laundry is off the kitchen with plenty of room for a washing machine and dryer. The two bedrooms come off the passageway, and each has built in robes. At the end of the passage is a separate toilet and the bathroom. These units are larger than your average unit in Katanning and in turn are highly sort after by tenants. A central courtyard allows each unit space for a bbq or outside sitting area with the rest of the grounds are covered in hot mix. Please feel free to call me Cameron Bolto on 0417 965 675 for further details.
