Conveniently situated with easy access to shops, schools and all facilities of Casino's CBD is this well-presented 3 bedroom brick-and-tile home. This property is move-in ready for your family or offers everything quality tenants look for if you're seeking a solid investment. Upon entering the home you are welcomed into the tiled open-plan living and dining area with air-conditioning, which flows into the spacious kitchen with ample bench and cupboard space. This opens out to the fantastic covered entertainment area with built-in bar. Continuing through the home there are 3 good-size bedrooms with carpeted floors and ceiling fans. Two of the bedrooms have built-in storage and the master has air-conditioning. Perfect for the family, the bathroom features both a bathtub and shower, as well as a separate toilet. For storage space, there's a linen cupboard in the hallway as well as additional cupboard space in the internal laundry. Other features include solar panels and security screens. Car accommodation is well catered for at this property, with a single lock-up garage attached to the home that you can drive through into the backyard and the large double shed. The flat, fenced backyard is easy to maintain and perfect for the kids or pets to play safely. To arrange your inspection of this quality home, contact Rob Horder 0439 135 125.
