This tasteful renovated home has an appealing rural outlook with the convenience of residential living. The generous 2023 Sq mtr block is an added bonus. The owners have taken care of the hardwork and are ready for the new owners to love the house as much as they have. This 4 bedroom home of which there are 3 built in robes and a large walk in robe to the main bedroom will be ticking all the boxes from the moment you step in the door. The open plan kitchen and dining room has an island bench for meal preparation as well as gas and electric cooking with ample cupboard space. The living room flows off the kitchen/dining for all your relaxation needs after a long day. The hallway leads to the bedrooms as well as the bathroom and ensuite. At the rear of the home is an expansive outdoor covered entertaining area. This is the perfect party area for all those hot summer nights with family and friends. If your looking for the man of the house he will most likely be located outside in the big 12 x 9 meter garage which has a concrete floor and electricity. The shed has been designed to store a caravan or motorhome as well as another vehicle and both garage doors have automatic openers. Once the vehicles are parked there is still plenty of room for a workshop. Outside you will also find a carport, dog cage, water tank, fully fenced rear yard and well maintained gardens and lawn. This immaculate property has nothing left to do but move in and make it your forever home.
