Boasting a sprawling traditional floor plan on a spacious suburban block, this beautifully presented home has been loved and beautifully maintained by its current owners for many years, but is now ready for a new family to move in and make some special memories of their own. Past flourishing gardens and plenty of off-street parking, inside you'll find a flowing floor plan featuring a formal lounge with fire place and air-conditioning, a formal dining room and bedrooms with robes including a versatile 3rd bedroom or additional living room option. The bright central kitchen was built to bring people together, incorporating plenty of cupboard and bench space as well as a convenient meals area. Equipped to handle the family foot traffic the bathroom has a shower and separate bath, while the separate laundry connects to both a powder room and the outdoor spaces. Complete with added luxuries of gas ducted heating and evaporative cooling throughout for all year comfort. A picturesque rear deck overlooks an expansive backyard with plenty of lush lawn for the kids and pets to explore, vegetable patches, a garden shed and single garage/workshop. Located within walking distance to the Thompsons Rd shopping village and the Yarraleen Trail, close to Marcellin College, Bulleen Park and the Bulleen Plaza Shopping Centre, as well as enjoying great connection to Bulleen Rd, Manningham Rd, Doncaster Rd and the Melbourne CBD via the Eastern Freeway.
